*Schedule is subject to change.

*Please be familiar with the schedule times and order and help with the flow of the program. This is a very jam-packed program so we need every to help out to make sure you're where you're supposed to be.

*Time limits will be used on all races to ensure that all races are complete before our curfew.

*Transponders must be rented/checked in (even if you own your transponder you still must sign in) before any on-track occurs for your division.
