*Schedule is subject to change. Race order for weekly divisions is the practice order as well.

*There will no longer be someone coming around to 'gather' you to staging, please review the schedule and know when you're on track.

*Time limits will be used on all weekly division races this season to ensure that all races are complete before our curfew.

*Super Trucks must be in staging at 4:00 ready to qualify or they will only receive one lap.
Chargers must be in staging no later than 4:10 or receive one lap.
