*Time limits will be used on all weekly division races this season to ensure that all races are complete before our curfew.

*Enduro will have two 50 lap segments. The first half and the second half of the race. Each 50 laps will be timed 25 minutes; This meaning each half will conclude after 50 laps OR 25 minutes. If 25 minutes is reached before the two-to-go signal has been given in the second half then the two-to-go signal will be displayed, then the white flag next time around.
